Investment protection & peace of mind.

Post-sale services are a breeze when you purchase at the Tech Zone. We store your machine's serial number and have your receipt on file for any future service or repair issues.

What Computer To Buy:

For most majors, the university does not require a particular computer platform.

For more specific major recommendations, click the "Shop By College" tab on our website!

All computers sold at the Tech Zone meet or exceed the university's minimum requirements. Below are some examples:

HIGHER END
