• To find the Waiver form go online to www.si.Illinois.edu, under Opt Out.
What is considered ACA Compliant?

• No maximum lifetime dollar amount limit.
• No restrictions to coverage for pre-existing conditions.
• Must provider for inpatient and outpatient mental health care.
• Cover health care received within a 50 mile radius of the Urbana-Champaign campus.
• Be in effect on or before August 24, 2019 and must remain in effect until the last semester the student is enrolled for that academic year.
Before opting out, consider this...

• If your plan requires the student see a specific doctor and there is not one in the UIUC area, the student would need to travel home to see that doctor. So in effect, there would be no coverage here at school.
